A Break in the Clouds

Our cloudy streak was broken at the June Public Night. A big thanks to all the members who came out to setup their scopes. Pictured below the Observatory gets ready for the first public event with clear skies.

WE'RE ON FACEBOOK!

Have something interesting you'd like to share? We're always looking for great things to post on our page:

- Astro Photography
- Club Event Pictures
- Interesting Information

Ron Jones Telescope Dedication

At the July 11th General Meeting we will dedicate the 16" scope in memory of Ron Jones. Refreshments will be served.

The Summer Star Party will follow the meeting & dedication.

RAS On The Road

On June 27th grab your gear and head to Pringle Nature Center. This outreach event will go from 8:30 to 11pm.

Pringle Nature Center at Bristol Woods County Park is located at 9800 Co HWY MB, Bristol WI.

Clouds Can't Stop a Good Time

Unfortunately we've had a very cloudy year so far with only one event where we weren't fighting poor visibility. While waiting for a break in the clouds, RAS members gather in front of the observatory before the May members night.

Thanks for the picture, Gabby!
